### Mrs Wallwork – Jones

We would like to wish Mrs Jones every success in her new career working as a freelance inspector for OFSTED. Since her arrival at St Jude's, Mrs Jones has had a huge impact at our school. I know that she has established fantastic relationships with all members of our school community including the parents and children that she has worked with.

We will all miss her and wish her well in her new career.

### SCARLET FEVER

We have had a few children in school with Scarlet Fever. The symptoms usually start with a sore throat and then a rash follows, often with a strawberry-like tongue.

If you suspect scarlet fever then please see the GP because it can be treated with antibiotics but is highly contagious.

**Children will return to school for the summer term on Tuesday 12<sup>th</sup> April.**

**Happy Easter,  
From all the staff at St Jude's**
